Dear Arthur

Our Executive Chairman and Co- Founder, Mr Marc Lubner and I, would like to sincerely thank you for your recent generous donation, which will most certainly bring lots of smiles to the faces of many children. Your support to the Smile Foundation is greatly appreciated.

Over the last 11 years, The Smile Foundation has been able to assist more than 1000 children and has grown from being active at one Academic Hospital in Gauteng, to 7 Hospitals located in five provinces in South Africa.

Our vital work would not be possible without the generosity of donors such as yourself, and we greatly appreciate your contribution.

Our Chief Patron Nelson Mandela's wish is for us to assist as many children around South Africa as possible and to make the public aware of this service that is offered to the communities. He also has requested that we ensure his legacy of considering children with any facial deformity are not ostracized by the family and/or the communities in which these children are living.

Kind regards,
